

Purple Stew (you can change the color!)

We're making a purple stew (whip whip, whip whip)

We're making a purple stew (shooby dooby doo)

With purple potatoes and purple tomatoes and

WE. WANT. YOU (name)!

What do you want to add to our purple stew?

Final verse:

We're making a purple stew (whip whip, whip whip)

We're making a purple stew (shooby dooby doo)

With purple potatoes and purple tomatoes and

WE WANT TO EAT IT!
